## A LITTLE MAO INFO

Our chefs are passionate about using only the finest fresh ingredients to create our authentic, virtually low-fat dishes. For this reason we **never, ever use any MSG** in our meals: we don't need to – the flavours are great as they are! We use only 100% Irish beef.

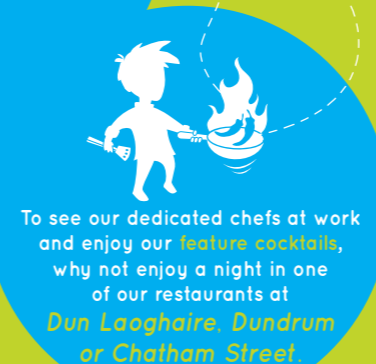

We freshly prepare all dishes to order so if you have any special dietary requests let us know! We'll do our best to meet any allergy requirements, but keep in mind that our meals are prepared in kitchens where shellfish, nuts and wheat are present.
